## U.S. SECURITY

Republican Cites Charges 1961, has become an American Of Polish Defector

Washington, March 4 (P)-Ren resentative Ashbrook (R., Ohio), urged today a prompt congressional investigation of sensational charges of lax security in the State Department and Central Inranks of the Soviet secret police.

House Committee on Un-Ameri-shan is chairman of an immigra-can Activities, said he hopes that can Activities, said he hopes that region refused to talk about committee will call the defector, the situation today. Michal Goleniewski, to testify at "I have made up my mind to closed hearings to "get action on say nothing at all about it," he his evidence."

The Ohio Republican said he has heard that the State Department itself has set up a special husbhush task force to reassess the security files of 175 officers, both in Washington and in the foreign service.

Senate Unit Praised

He said the Senate Internal Security 'Committee' also has been probing the State Department security situation and "is doing a good job."

"They have shown a great lack

of sound security practices," he

Revelations of Goleniewski have ocen described in articles in the Washington Star and the New York Journal American.

Goleniewski, who defected in citizen under special legislation.

So far as could be determined, Goleniewski has not been ques-

tioned by any Congressional committee. Ashbrook said he favors such a move immediately.

Congressman Won't Talk Representative Fieghan (D., telligence Agency. The charges Ohio), was reported by the Jourhave been attributed to a Polish all American to have interviewed defector who was high in the Goleniewski in New York in connection with his application to be-Ashbrook, a member of the come an American citizen. Fei-

said.
